# SYDNEY OLYMPIC PARK

## ASSET MANAGEMENT SERVICES

The Sydney Olympic Park (SOP) precinct is home to several of Australia's most iconic stadiums and public facilities such as the NSW aquatic, sports and tennis centres. The Sydney Olympic Park Authority is responsible for managing the 640 hectares that comprise the precinct.

In 2014 Tempo was awarded a contract to supply comprehensive electrical services to SOP, including both programmed and reactive maintenance, and project works.

The delivery includes but not limited to area lighting, high voltage reticulation, in-ground lighting, lighting towers, general light and power, generator maintenance, compliance maintenance, various lighting control systems, and event and project works.
